 2. Click on the **Add Student** button
 3. Select your students from either the **Year(s) & Class(es)** or from **Groups**
- Note:** If you have taken payment via the school app for Evening Study, you can easily create a group from those who have paid and add them to the study sessions.

Creating a Group from the Payments Section

Follow the steps below to create groups based on payment status:

Step 1: Access the Payment Item

1. Go to **uniqueschoolapp.ie**
2. Navigate to **Payments**
3. Click **Manage Payment Items**
4. Locate the relevant payment item
5. Click the **View** (👁) icon on the right-hand side
6. Click **View Students**

Step 2: Create Group – Fully Paid Students

1. Under **Payment Status**, select **Paid**
2. Click **Search**
3. Click **Create Group**

Name the group appropriately (e.g., *Evening Study – Fully Paid*)

Step 3: Create Group – Instalments (If Applicable)

If the payment was set up with instalments:

1. Under **Payment Status**, select **In Progress**
2. Click **Search**
3. Click **Create Group**

Name the group (e.g., *Evening Study – Instalments In Progress*)

Why This Is Important

This ensures:

- All students who are **fully paid**
- All students who are **actively paying via instalments**
- are included in groups.

You can now proceed with the remaining setup steps (from Step 4 onwards below):

1. Select **Via Group**
2. Choose both groups:
 - Fully Paid
 - Instalments In Progress

This ensures all eligible students are added to Evening Study.

4. After selecting either the **Year, Class** or **Group**, you can select students individually or select all and **Add to Final List**.

5. Click **Add to Evening Study**, after reviewing the Final List
