

Marking Attendance & Sending Notifications

Take roll and send Personal Notifications to parents alerting them of the student's presence

Written by Sam Support | Last published at: February 23, 2026

If you're a staff member who has been assigned to an Evening Study or created it initially, you can take the roll call and send a Personal Notification to parents/guardians to inform them whether the student attended the session or not.

Marking Attendance

1. Go to www.uniqueschoolapp.ie and log into the **Dashboard**.

2. Click on **Evening Study** near the bottom right of the screen.

Note: If you do not see Evening Study, please contact staffsupport@uniqueschools.ie to have it enabled.

3. Locate the session you wish to mark and click the **Mark Attendance** icon on the right-hand side.

4. On the attendance screen, mark each student as:

- **Present**, or
- **Absent**
